M8 SERIES.

G.O. No. 5337

Dated 17 10 48

[Despatch Abstract.]

Iron and steel - Defectives, etc - Distribution without permits after 6th June - Issue of - Circular to the Controlled Scrap Merchants/Associations.

No. I(1)-1(537).
GOVERNMENT OF INDIA,
Ministry of Industry & Supply.

New Delhi, dated the 25th
September 1948.

To

All Provincial Governments and Chief Commissioners.

Sub:- Distribution of scrap, including defectives and bulk production cuttings.

Sir,

I am directed to say that it has been brought to the otice of this Ministry by the main steel producers that large stocks of iron and steel scrap, including defectives and cuttings are getting accumulated in their stockyards because Controlled Scrap Merchants/Associations are not taking deliveries of the quotas allotte to them. It is understood that the difficulty of the controlled Scrap Merchants/Associations is that their own stockyards are congested because permits against stocks held by them are not being issued by the Provincial Steel Licensing Authorities to the extent necessary for clearing the congestion. It is needless to say that this state of affairs not only affects the availability of scrap but also hampers regular steel production.

2. In this connection, I am to invite your attention to this Ministry's letter No. I(1)-1(37) dated the 13th May 1948 in which it was proposed that if, in respect of any stock of scrap, no permit is issued within sixty days from the date of receipt by the Provincial Iron and Steel Controlling Authority of intimation given by the Controlled Scrap Merchants/Association of the arrival in his yard, the Controlled Scrap Merchant/Association may dispose of the stock without a permit. The idea in suggesting this procedure was that it would avoid the state of affairs referred to in para 1 above, and if the Provincial Government have not already issued the necessary instructions, I am to request that an order may now be issued on the lines of the attached draft (Annexure I). The quantitative limit upto which sale of scrap without permit should be allowed under this order. may be fixed by the Provincial Government.

Yours faithfully,

(Sd) C.R. Natesan,
Under Secretary to the Government
of India

ANNEXURE I.

In pursuance of the provisions of clauses 3 and 4 of the Iron and Steel (Scrap Control) Order, 1943, I hereby order that no permit shall be necessary for the acquisition by any person for his own use from one or more Controlled Scrap Merchants/ Associations to any person for his own use of any quantity of scrap not exceeding ten tons in any one month, in respect of which no permit is issued within sixty days from the date of receipt by the undersigned, of intimation of the arrival of the stocks in the yard of a Controlled Scrap Merchant/Association.

Provincial Iron and Steel
Controller.

GOVERNMENT OF MADRAS.
Development Department.

Letter/Miscellaneous No. 5337.

From

Sri. K.G. Menon, I.C.S.,
Secretary to Government.

To

The Secretary to the Government of India,
Ministry of Industry and Supply,
New Delhi.

Dated. Fort St. George, the 27th November 1948.

Si

Sub:- Iron and Steel - Defectives, etc - Distribution without permits after 60 days - Issue of circula to the Controlled Scrap Merchants/Associations.

Ref:- Mr. C.R. Natesan's letter No. I (1)-1(537) dated 25.9.1948.

With reference to the letter cited, I am directed to state that the Government of Madras agree to the disposal without permits by the Controlled Scrap Merchants/ Associations of defectives for which no permits have been issued within 60 days of receipt by the Director of Controlled Commodities of intimation of the arrival of stocks in their yards They, however, consider that, in view of the meagre supply of the materials, the quantitative limit should be fixed at 5 tons as against 10 tons suggested by the Government of India. The Director of Controlled Commodities has accordingly been asked to issue the necessary circular to the Controlled Scrap Merchants/Associations. A copy of the circular will be forwarded to the Government of India in due course.

Yours faithfully,

(Sd) K.G. Menon,
Secretary to Government.

Copy to the Director of Controlled Commodities, Madras. He is requested to issue the circular to the Controlled Scrap Merchants and furnish 2 copies of it to the Government at a very early date

Rush Express Mr.R

Circular issued by the Director of Controlled Commodities, Madras to t Controlled Scrap Merchants in the Province.

In pursuance of the provisions of clauses 3 and 4 of the Iron and Steel (Scrap Control) Order, 1943, I hereby order that no permit shall be necessary for the acquisition by any person for his own use from one or more controlled scrap merchants to any person for his own use any quantity of scrap not exceeding five tons (five tons only) in any month in respect of which no permit is issue within sixty days from the date of receipt by the undersigned of intimation of the arrival of the stocks in the yard of a controlled scrap merchant.

No receipt report will be accepted unless the correct size and description of the materials are intimated and the limitation of 60 days will be reckoned only from the date on which correctly classified statement is accepted.

To All controlled Scrapmerchants in the Province and Industrial Schools
